## JULIA MACK

McKamey-Franklin

(See Cover Picture)

### AMERICAN HOME ACHIEVEMENT MEDAL WINNER AT THE WASHINGTON DAHLIA SOCIETY SHOW AT TACOMA, 1937

Color: Mandarin red; base of petals and tips gold. Size: 10 to 12 inches across and 7 inches deep. Good substance. Formation: Formal Decorative. The petals are broad and pointed and the flower very full and deep. Stem: Rather slender but very stiff, holding the big blooms well out of the foliage. From 10 to 15 inches to the first set of leaves. Foliage: Dark green and very heavy. Insects do not like it. Bush: 4 to 5 feet tall. Upright and well branched. Good root maker.

#### Winnings

1936 — Best seedling at the Bremerton show. Best seedling at the Western Washington Fair. Seedling Sweepstakes, 3 blooms, at Washington Dahlia Society show, Tacoma.

1937 — American Home Achievement Medal, Tacoma. Best seedling entered by an amateur, Western Washington Fair.

We are proud to introduce this fine dahlia, for an amateur grower, as it has been a sensation here and we are sure you will like it.

Roots, early delivery, \$25.00 net — April delivery, \$15.00 net — Plants, May 15th, \$7.50

## NEW WASHINGTON MINIATURES

**STARLET (Kanouse) Semi-cactus** — Light lemon yellow, flowers 2½ to 3 inches in diameter. Spreading bush of medium height. Blooms never show open center and is an excellent keeper. Prolific bloomer. 1937 awards: Best Basket of Miniatures at the Washington Dahlia Society Early Blooms Show, Aug. 10. Best Basket of Miniatures in both amateur and open classes, Washington Dahlia Society regional show at Olympia; winning sweepstakes for the best miniature basket at that show. First in its class at the Washington Dahlia Society Show at Tacoma. Awarded best miniature in show at International Dahlia Show at Chicago; blooms sent air express from Olympia. Root-----\$1.00

**WINE DROP (Kanouse) Formal Decorative** — Wine red with a decided purple cast. The blooms are small, 2 to 3 inches, on slender stiff stems. This dahlia won Sweepstakes at the International Dahlia Show in Chicago in 1936, being sent air mail from Olympia. The bush grows 4½ ft. high and is full of blooms, always.-----50c

**RED WING (Kanouse) Formal Decorative** — Scarlet red, very full formation, almost a ball. Flowering habit good, with early blooms on fine stems. Plant grows 4 to 5 feet tall. -----50c

**DAD'S OWN (Litz) Formal Decorative** — Light rose pink with a silvery lavender sheen. The edges and tips of the petals are finely edged white. The flower is very full with the petals curving back to the stem. Notched petals give a lacy appearance which is very attractive. Size of blooms, 3 to 3½ inches, with the bush about 4 ft. high. Won blue ribbons at the Washington Dahlia Society show in Tacoma, 1937, in amateur and open classes and at the Western Washington Fair in the amateur class. -----\$1.00

**OLYMPIC GOLD** — Single — 2½ inch blooms of gold, shading to buff at the edge of the petals. Stems slender and stiff. The petals cup forward making a graceful flower for cutting. -----75c

## CLASSIFICATIONS

Cactus (C.) Semi-Cactus (S.C.) Formal Decorative (F.D.)  
Informal Decorative (I. D.)

- ACHIEVEMENT (I. D.)** — Gold with bronze shadings. Large size, graceful formation and good, strong stem. -----50c
- AIR MAIL (I. D.)** — Rosy lavender blooms on a very long cane-like stem. One of the best keepers when cut. Size, nine inches by four deep.-----50c
- ALEX CRAIG (S. C.)** — Pink with cream center. A fine dahlia. -----\$1.00
- AMERICA'S SWEETHEART (I. D.)** — Giant pure yellow blooms of great depth, held nearly on top of absolutely stiff stems. Can be grown to 12 inches and more and has won "the largest dahlia in the show"-----\$2.50
- ANDREA ERICKSON (I. D.)** — Pure white. Giant blooms on good stems. -----50c
- ANGELA MIA (F. D.)** — A beautiful white with creamy center with the petals curving back to the very stiff stem, forming a large ball. -----\$1.00
- ARELDA LLOYD (I. D.)** — Best described as the yellow Jane Cowl, with all the good qualities of that grand dahlia. ----- 75c
- AUDREY AMES (F. D.)** — A large pure old rose dahlia. Stem and form perfect. -----\$2.50
- BAUER'S IDEAL (F. D.)** — From Vienna comes this lovely red dahlia of a particularly glowing color. Stem excellent and blooms large. -----\$1.50
- BETTY AUSTIN (Ball)** — Burnt orange with scarlet at the tips of the petals. -----35c
- BETTY COULTER (I. D.)** — Very large full flower on a perfect stem. The color is an even shade of salmon red overlaid with rose. Low growing bush. -----75c
- BOBBE DEAN (F. D.)** — One of the finest cut flowers it has been our pleasure to grow, winning prizes the last two years for us, whenever shown. The color is a soft apricot orange with the blooms of Jersey's Beauty type on long perfect stems, making a wonderful dahlia for basket and bouquet work. The blooms are six to eight inches across and five inches deep, with the petals curving back to the stem when in full bloom. Scored 85 at East Lansing Trial Gardens in 1935. -----\$2.00
- BIG BEN (Ball)** — A large, perfect ball of bright red, 35c
- BUCKEYE KING (F. D.)** — Very large full flowers of glowing amber. -----50c

- CALIFORNIA IDOL (I. D.)** — One of the great big ones. Pure glistening yellow blooms of great depth. Very graceful formation and fine stem. -----\$3.50
- CHARMER (I. D.)** — Clear golden buff with slight apricot yellow suffusion. Bush, stem and habit of growth like Jane Cowl. Free bloomer and keeping qualities when cut are exceptionally good. -----\$1.50
- CITY OF CLEVELAND (I. D.)** — A rust red, very large dahlia that is unusual in coloring. Stems are strong and erect. Profuse bloomer.-----\$2.50
- CLARA CARDER (I. D.)** — A huge flower of true cyclamen pink with a perfect stem and lovely foliage. Low growing bush. A real prize winner. -----\$2.00

- DAD SMITH (H. Smith) — Formal Decorative —** Soft red petals, heavily edged with golden yellow, form a striking flower on a long stem held well above the foliage. It is classed as a cut flower, the seven-inch blooms and long keeping qualities making a fine dahlia for baskets and bouquets. We won four first prizes in 1937 with this dahlia, using it in baskets. -----75c
- EAGLEROCK FANTASY (I. D.) —** Immense blooms of clear mallow pink on excellent stems. A beauty of the "Largest Flower" class. -----75c
- EAGLEROCK SUPERBA (I. D.) —** Very large pink dahlia. Stem good. -----75c
- ELITE GLORY (I. D.) —** One of the largest. Rich glowing red with a perfect stem. -----50c
- ELITE GEM (C.) —** Spinal pink on yellow. Fine flower on good stem. -----50c
- EMILY DUNCAN (C.) —** A large pink, with white center, that has won many prizes in the cactus class.-----75c
- FLORA BELLE (F. D.)—** True pink with gold-tipped petals. Long, stiff stems and good keeping qualities.---50c
- FLORENCE FLORY (I. D.) —** Very dark red, almost black at the center of the flower. Stem stiff and a free bloomer. ----- 50c
- FRANK MILLER (F. D.) —** Clear golden yellow, large flowers on a perfect stem. -----50c
- FRANZ BERGER (C.) —** A bright coral red. This is a seedling of Frau O Bracht with the same formation and growth. Very good. -----\$1.00
- FRAU O BRACHT (S. C.) —** Primrose yellow. A consistent winner. -----50c
- GOLDEN STANDARD (C.) —** Light tan shaded with tints of amber. Seven inch blooms of beautiful formation on good stems. Prize winner. -----\$1.00
- GOODNIGHT (I. D.) —** Immense maroon blooms that are nearly black, with a lighter garnet reverse. Beautiful formation and fine stem. -----50c
- GRANDEE (I. D.) —** Light nopal red shaded orange yellow. Can be grown 14 inches and the stems are cane-like. ----- \$1.00
- GRETEL (C.) —** A straight cactus of bright henna color, from Austria. Medium sized flowers on a fine stem. \$1
- HAPPINESS (F. D.) —** A dahlia you will notice from across the garden for its color. Bright begonia rose with a zone of yellow at the center. The petals fold forward, showing the silvery pink reverse. Strong stems. ----- \$2.50
- HI-LITE (I. D.) —** Large velvety carmine dahlia shaded rose, lightly tipped with gold. Ten to eleven inch blooms on a long strong stem. A real beauty.-----\$2.50
- INCADESCENT (I. D.) —** A seedling of Jane Cowl, with all the parents good qualities. The color is rich rosy buff with reverse of yellow and old rose. A deep rich coloring, great size and wonderful stem make this dahlia outstanding. -----\$5.00
- IVRALEE (S. C.) —** Ivory colored dahlia of beautiful formation. Seven to nine inch blooms on long strong stems. New dahlia by Mrs. J. W. Lee.-----\$2.50
- JANE COWL (I. D.) —** Glistening bronzy buff and gold blooms with beautiful high centered formation. The best of stem and fine heavy foliage. -----50c
